## 2026 White Mountains Dolostone Remeasurement Plant Photo Guide

Eudicots  
Apiaceae

*Cymopterus cinerarius*

Asteraceae

*Antennaria rosea*

Asteraceae

*Artemisia dracunculus*

*Artemisia rothrockii*

*Chrysothamnus viscidiflorus*  
subsp. *viscidiflorus*

*Ericameria discoidea*

Eudicots  
Asteraceae

*Erigeron clokeyi* var. *pinzliae*

*Erigeron compositus*

*Erigeron pygmaeus*

*Hymenoxys cooperi*

*Packera wernerifolia*

*Pyrocoma apargioides*

*Stenotus acaulis*

Eudicots  
Asteraceae

*Townsendia condensata*

*Townsendia leptotes*

Boraginaceae

*Oreocarya flaviculata*

*Oreocarya humilis*

Brassicaceae

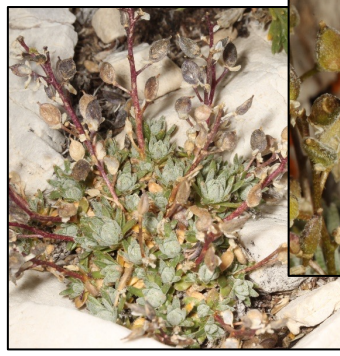

*Boechera lemmonii*

*Boechera cf. inyoensis*

*Draba breweri*

*Draba oligosperma*

Eudicots

Brassicaceae

*Physaria kingii*

Caryophyllaceae

*Eremogone kingii* var. *glabrescens*

Caryophyllaceae

*Minuartia nuttallii* subsp. *gracilis*

*Minuartia rubella*

Fabaceae

*Astragalus calycosus* var. *calycosus*

*Astragalus kentrophyta* var. *tegetarius*

*Oxytropis parryi*

Eudicots

Grossulariaceae

Linaceae

*Ribes cereum*

*Linum lewisii*

Orobanchaceae

*Castilleja nana*

Plantaginaceae

*Penstemon heterodoxus* var. *heterodoxus*

Polemoniaceae

*Linanthus pungens*

*Phlox condensata*

Eudicots  
Polygonaceae

Primulaceae

*Eriogonum gracilipes*

*Androsace septentrionalis*

Rosaceae

*Potentilla jepsonii*

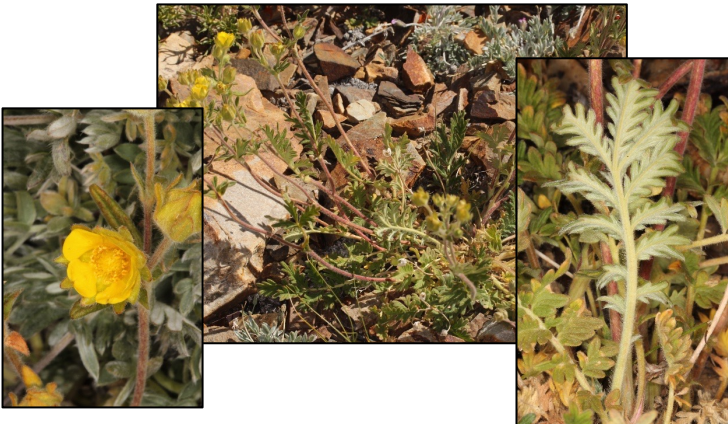

*Potentilla morefieldii*

Adaxial (upper) leaf surfaces

Abaxial (lower) leaf surfaces

*Potentilla morefieldii* on left of each frame, *P. jepsonii* on right

*Potentilla pensylvanica*

*Potentilla pseudosericea*

Eudicots  
Saxifragaceae

*Heuchera parvifolia*

Image by Donna Consentino

Monocots  
Cyperaceae

*Carex duriuscula*

*Carex rossii*

Monocots  
Poaceae

*Calamagrostis purpurascens*

*Elymus elymoides*

*Festuca brachyphylla subsp. breviculmis*

*Koeleria macrantha*

*Muhlenbergia richardsonis*

Monocots  
Poaceae

*Poa cusickii* subsp. *epilis*

*Poa glauca* subsp. *rupicola*

*Poa keckii*  
(Only confirmed at CWS)

*Poa secunda* subsp. *secunda*

*Trisetum spicatum*

# Gymnosperms

## Pinaceae

*Pinus flexilis*

*Pinus longaeva*

# Ferns

## Woodsiaceae

*Cystopteris fragilis*

# Bryophyte

*Hypnum revolutum*

## Lichen on Dolomitic Soil
