

### Directions for the GLORIA Carson Range Target Region (CAT)

From the EAST take SR 88 from Minden, or from the SOUTH take SR 89 from Markleeville, or from the WEST take SR 88 over Carson Pass to the Hope Valley junction of SRs 88 & 89. Turn NORTH onto SR 89 at this junction and go approximately 1 mile to the unmarked dirt road on right heading NE.

From the Tahoe Basin in the NORTH this unmarked dirt road is on the left 0.8-0.9 mi down SR 89 EAST from Luther Pass summit at the Alpine-El Dorado County line.

There is a Forest Service open gate just up the dirt road to verify you are on the right road as there is no signage here. If you have a Forest Service map, this road is FS 51. Travel 3.5 miles on this sometimes rocky and potholed, but otherwise fine for CRV/Subaru clearance vehicles, to Horse Meadows Trailhead, located at 38.83027, -119.90061. There is plenty of parking and camping areas among the lodgepole pines near Willow Creek.

AllTrails has a very good description of the hike to Freel Peak, a popular destination with dramatic views of the Tahoe Basin and peaks in Desolation Wilderness.
